The Coo Shed

BREAKFAST MENU

We pride ourselves on using the finest local produce from fellow Ayrshire suppliers.

Willie and Alison Kerr and their two children, David and Joanne, welcome you to their family dairy farm where they milk Holstein Friesian dairy cows. Willie and David carry out all the farming duties including milking twice daily, feeding, mucking out, tractor work and taking care of our lovely surrounding countryside whilst producing food for your plate. Alison runs the plant nursery and our coffee shop with assistance from Joanne and all the staff.

We hope you enjoy your experience at 'The Coo Shed'!

The Milk Hoose

Would you like to try our fresh farm milk straight from our cows? Then why not visit our milk vending machine in our Milk Hoose? Our free range, grass-fed cows produce delicious and nutritious whole milk which is batch pasteurised daily on the farm. You can use your own clean container or buy one of our reusable bottles and fill it up with chilled fresh milk dispensed through our Milkbot vending machine. Go home, drink the milk, wash out your bottle and bring it back for a re-fill. You should try our delicious flavoured milk too! Open 24 hours, every day!
